Hydro ECC Line

DEHYDRATED AND DRY SKIN

1. HYDRO INTENSE EMULSION

Effectively removes makeup and impurities while ensuring hydration and comfort. The EctoCer complex with ectoine, ceramides and cytokines strengthens the skin's protective barrier, while hyaluronic acid deeply hydrates and smooths the complexion. Trehalose helps lock moisture into the epidermis and inulin supports the natural microbiome, improving skin balance. Allantoin soothes and calms irritation.

CAPACITY: 200 ML • CODE: 44841

2. HYDRO INTENSE TONIC

Moisturizing toner formulated with the EctoCer complex to strengthen the skin's protective barrier and support its regeneration. Hyaluronic acid provides deep hydration and smoothness, while inulin prevents dryness and soothes irritation. Urea softens the skin, leaving it refreshed, radiant and perfectly prepared for the next steps in your skincare routine.

CAPACITY: 200 ML • CODE: 44843

3. HYDRO INTENSE PEEL

Formula with lactic acid and urea intensively smooths the skin, restoring softness, hydration and glowing appearance. Gently exfoliates the skin, supporting its regeneration. Ectoine and hyaluronic acid enhance moisture levels, strengthen the skin's protective barrier and improve elasticity.

CAPACITY: 30 ML • CODE: 4485

4. HYDRO EVER CREAM

Ultra-lightweight cream, formulated with the EctoCer complex and hyaluronic acid to provide long-lasting hydration. Trehalose and inulin support the skin's microbiome and protect against moisture loss, while oat silk and aloe vera juice smooth and soothe irritation. The cream absorbs quickly, leaving the skin soft, smooth and glowing.

CAPACITY: 50 ML • CODE: 4489

5. HYDRO DYNAMIC BOOSTER

Booster with EctoCer complex and hyaluronic acid delivers intense hydration, smoothness and improved elasticity, leaving the skin firm and naturally radiant. Trehalose protects against moisture loss and supports regeneration, while inulin restores the microbiome and strengthens the skin's protective barrier. The lightweight, fast-absorbing formula leaves the skin soft, supple and glowing.

CAPACITY: 30 ML • CODE: 44890

6. HYDRO EVER SPRAY

Mist with thermal water base enriched with hyaluronic acid for deep hydration and improved skin elasticity. Trehalose offers protective benefits by preventing moisture loss, while urea and inulin support regeneration and microbiome balance. Restores comfort, smoothness and long-lasting hydration to the skin.

CAPACITY: 250 ML • CODE: 44892

MESOHYDRA B3 SERUM

Serum for needle-free mesotherapy designed for dehydrated, dry and flaky skin.
