

Hair Line

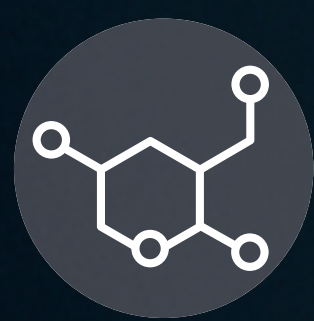

Professional therapy
for hair and scalp that
strengthens, nourishes
and stimulates growth

The Hair Line uses carefully
selected active ingredients:

Nettle extract

strengthens hair, stimulates
growth and combats dandruff
with a vitamin-rich, antibacterial
profile

ExoPep Complex

a combination of exosomes
and peptides, penetrate into the
dermis, stimulating the synthesis
of collagen and elastin

Horsetail extract

strengthens hair, improves
elasticity and soothes the scalp
with mineral-rich care
