

Poison Line

Exclusive venom-inspired care
to rejuvenate, smooth and firm skin

Luxurious series of cosmetics inspired by the effects of bee, snake and snail venom:

Protein H Silk

it binds water, smooths structure,
and enhances moisture, softness,
and shine. Rich in amino acids and
proteins that protect against water
loss

Shea Butter

strengthens the skin's protective
barrier, deeply moisturizes, nourishes,
and shields against external factors.
Its power comes from fatty acids,
vitamins A and E, and natural
antioxidants

ECM Tripeptide

a Popławska Group complex with
peptides that boost collagen,
fibronectin, and hyaluronic acid
production. It renews, firms, and
smooths mature skin, visibly reducing
wrinkles
